Commodore's Corner

Less than three weeks until the Fitting out Supper, dinghy Frostbite Shield and the start of the season. Wayfarer under deep snow, Soling under cover indoors and an invite to race in the President's Cup in the Philippines. So I might not see you on the start line 25th March!! However.....I'm reminded that I would then have to find another speaker for the Fitting out Supper so perhaps the drysuit and thermals will resurface.

On the Clubhouse front our catering team provided the usual culinary delights for the Valentines evening and fully justified the improved galley. So book early for the FoS.

The race office refit is underway. The Clubhouse rafters are cleared and your

gear is on the club house floor ready to be collected so that after the FoS the ceiling painting can commence. Looking ahead to the balmy days of summer it would be nice to see a good LYC representation at our local regattas, Oban, Arisaig and Glencoe including the Ardgour and Balnagowan races. Finally, please advertise and recruit for, the RYA dinghy sailing courses starting on 19th April. Dinghy Instructors please report availability to Donnie Meldrum the Clubs Principal.

CONGRATULATIONS

Belated congratulations to Brian Fallows who at the end of last year qualified as a Senior Instructor. Well done.

COMMISERATIONS

Annie Jukes has had to resign as she has moved to another job down south!

SECRETARY'S NOTES

The new **Club Handbook** is now available and has been sent to members who have remembered to re-join for this season. Don't forget cheques etc to Liz Meldrum 13 Perth Place, Fort William, PH33 6UL please. Since the handbook was published some changes have come to note. E.g. Tom McGlennon now owns Mirror OOPS. If you notice any further errors then please let Kim Cameron know. Do not assume he is telepathic!

Clubhouse/Property: A programme of works was discussed by the committee. Roof and gable repairs are already in hand (Roddy Black). This includes the "valley" between the changing rooms. In the Kitchen/Galley new cupboards were fitted, adjustments to the layout were made, and a new cooker obtained all in time for the Valentines do. The OOD's office refurbishment is being done as a DIY job by Fergus. Sign boards for the entrance have been ordered. An extension to the slipway is being planned. Other work including improvements to the lighting and heating, work on the dinghy parks and painting are on hold except for a spring tidy up.

Meldrums in the Blues

This sounds like Donnie after Hamish beats him again but this time the Meldrums are happy to be in the Blues, well at least Sarah and Stuart are. In a fairly unique family double, both have been awarded Full Blues by their respective Universities. Sarah is a member of the Glasgow University Sailing Team who have just

won the Girls' Scottish League and Stuart is member of the Strathclyde University Team who have just won the Boys' Scottish League to add to their World Championships. Both will now represent Scotland at the British Universities' Championships at Easter. All they need to do now is to pass their Exams!

RYA Scotland News Tit-bits - March 2001

The RYAS AGM is taking place on Saturday 24th March at 11am, in the sportscotland building at South Gyle, Edinburgh. Everyone is welcome to attend, and this is one of the ways of keeping up with the activities of the organisation, and it's plans.

There is a new monthly emailed newsletter from RYAS, if you are interested in receiving a copy, please email RYAS -

jane@ryascotland.freemove.co.uk.

This newsletter is not available by snail mail - email only I'm afraid.

There are a couple of Instructor Conferences on the horizon - Dinghy Instructors and Powerboat Instructors are at Port Edgar on Sat 21st April, and Dinghy Instructors and Windsurfing Instructors are at Cumbrae on Saturday 28th April. We've decided to combine them this year, as we are trying to a) keep the costs down, and b) we can access more resources this way. Yes, that means that we have 2 Conferences for the Dinghy guys, and only 1 for the others, but we'll see how things pan out, and may change it for next year. It also means that those of you who hold both or all three qualifications, can kill 2 birds with one stone, as you can attend them both. Invitations will be sent out directly to Instructors.

This year we will be introducing Training providers, so if you want any

training held in your club, please give me a call at RYAS, and we will set something up.

Club based Instructor training grants - there are grants available through RYAS to help with the costs of attending this type of training. All you need to do is contact RYAS with the details of costs, by the end of March, May and August. We do expect that you will commit to your club for a minimum of 2 years, and that your application is endorsed by the club.

Child Protection Policy information is now available, by email and snail mail, so if you would like to send yourself to sleep, please get in touch.

RYAS will be looking into areas concerning volunteer training this year, as this is the year of the Volunteer, we would welcome any thoughts you may have on how we could help your club to improve things for your volunteers.

I am always happy to hear from both individuals and clubs, so please feel free to contact me -

Jane Scott - RYAS Development Officer - Tel - 0131 317 7388, Fax - 0131 317 8566, email -

2001 Sail Training courses

Adults

Next year courses for adults will be held over the three weekends 21/22nd April, 28/29th April and 5/6th May. Candidates for this course usually appear at the last minute or too late. They find out about it by word of mouth in spite of posters, radio, etc. So spread the word please. Give names to Donnie Meldrum.

Juniors

The junior training will begin on 5/6th May overlapping with the adult course

--- 000 ---

RYA Level 2 Dinghy Sailing Course

Lochaber Yacht Club will be running an RYA level 2 Dinghy Sailing Course over three consecutive Thursday evenings and weekends beginning on the 14th April.

The cost of the course will be £25 (covers the cost of Safety Boat Fuel, Handbooks and Certificates). If you are not a Club member you will have to join prior to the training. The annual membership subscriptions are Adult £55, Family £68 and Junior/Student/Unemployed £18.

Perfect attendance is strongly recommended, as it is very difficult to cater for absentees resulting in them not completing the course.

An improvers course leading on to RYA Level 3 will follow on immediately after the Level 2 course on Thursday evenings. There will also be race training later in the year for those interested.

A limited amount of sailing kit is available but it would be convenient if you could provide yourself with warm clothes, waterproofs, a buoyancy aid and a wetsuit.

The course will be limited in numbers and places will be allocated on a first come first served basis.

If you would like to take part complete the following form and send it to:

KEELBOAT CONVENOR'S CORNER

FIRST

As I'm sure you know, the Vernal Equinox is on March 21st. If you have paid your subs and received your Handbook and Tide Tables, you will also know that the first full moon thereafter is 8th April. The first Sunday after that is Easter Day, andEaster Monday (16th April) is the first race of the first points series. If you haven't rolled your boat into the water by then, you can't have your first 1st of the season.

SECOND

On the second Thursday in May, Clubnight begins. This is not an exclusively dinghy event, nor is it for level 3 students only. It is an occasion for social sailing, and an opportunity to introduce new members to the club. Not everyone wants to 'do the course', and others are unable to commit themselves to 3 weekends. Why not come along, have a fun sail and introduce new (and old) members to keelboats?

THIRD

Well, I suppose the Three were Wise Monkeys, not Brass Monkeys, but the connection does afford me the opportunity to remind you that the Brass Monkey will be sailed on Sunday, 20th May. It's also your last opportunity for racing practice before the three regattas. Let's try to have a good Lochaber keelboat representation at all three – Oban on June 2nd and 3rd, Glencoe on the 8th and 9th and our own on the 16th and 17th.

LAST - BUT BY NO MEANS LEAST!

Check the Rota and make sure that you (or your rep.) turn up at the right time on the right day. And please, if you have any suggestions (or moans) SPEAK TO ME!

Liz

The Quiz night

For those of you who missed Ted's night on the 3rd March here is a sample of the great technical skill required. The quiz night was well attended with Donnie proving yet again that we don't all know the same sailing rules, Liz tied us in bandages and Ted had us drawing designs for storage of the Topper masts. (see below the winning design provided by the juniors) An excellent snack? was provided thanks to the David and Hilary!

- 1 What is meant by a "backing wind"?
 - 2 The wind blows which way round a High Pressure system?
 - 3 What is meant by "furling" a sail?
 - 4 What are "limber" holes?
 - 5 The book "Mr Midshipman Easy" was written by whom?
 - 6 What is meant by "close hauled"?
 - 7 A "killick" is?
 - 8 How long is a fathom in feet?
 - 9 A three part question (if you like)
What do sailors mean by "Fiddlers Green"?
Which famous yachtsman/airman wrote the book "Fiddlers Green"?
What nationality was he?
 - 10 What is meant by the expression - "Sling your hook"?
 - 11 What is a "soft eyed splice"?
 - 12 How many separate locks comprise the staircase at Banavie?
- Answers further on.

If you missed the quiz then try to work out the following message without consulting the code book. The words and the letters are a bit mixed up! Quite a few of the flags should be well recognised as they are used for race management. The flags come to you with great difficulty in Black and White just to make it a bit harder!

A topper mast storage unit designed by the RS2000 team of juniors. Note the readiness for departure to a destination unknown.
